Forecast for Tuesday 28 Nov 2023

Weather: Some cloud around in the morning with the odd snow shower across southern Lochaber and northern Argyll, and a few snow showers drifting down along the west coast until early afternoon. Otherwise dry with some good spells of sunshine.

Chance of cloud-free hill tops above 800m: 80%

Low Cloud and visibility: Patchy cloud down to 650 metres as showers pass by, this most extensive for a time in the morning. Very good visibility outside of cloud and snow showers.
